

Sandestin®

Golf and Beach Resort

You and Your Family are Cordially Invited to the 22nd Annual Gulf States Engineering Conference at the beautiful, family friendly Sandestin Resort on June 10 – 12, 2018!

All NSPE and State Society members are welcome to attend at the member rate and will get up to **12 hours of continuing education credits!**

The Gulf State Engineering Conference marks our 11th return to beautiful **Sandestin Resort**, and it is expected that the Conference will be attended by hundreds of professional engineers from throughout Alabama, Louisiana, Georgia, Florida and Mississippi. The attendees will include Chemical, Civil, Mechanical, Electrical, and Safety Engineers. These engineers represent private practice, industry, government, education, and construction.

Exhibitor Meet & Greet

Plan to Attend the Exhibitor Meet & Greet on Sunday June 10th at 3:00 p.m. The Exhibitor Meet & Greet is an excellent opportunity to network with other engineers, and have some one on one time with the representatives of the companies that are exhibiting at the conference. Each exhibitor will showcase their company and give away a door prize provided by the exhibitor.

PRESENT!

We are looking for individuals that would like to conduct a seminar on an engineering related topic of your choice. Each 50-minute seminar will provide on Professional Development Hour per attendee. The conference registration fee is complimentary to presenters; however, we ask that you complete a registration form if you wish to purchase meal/event tickets.

EXHIBIT!

We would like to extend an invitation to your organization to display at the Gulf States Conference. Like any conference, vendors play a huge role in helping us fund our event as well as informing our attendees of new products and technologies in our industry. This year we have extended our contact hours with our exhibitors and made room for extra booths.
