

You are invited to the 24th Joint Engineering Societies Conference at the Double Tree by Hilton in Lafayette, LA, January 29 - 30, 2020! All Engineers from all disciplines are welcome to attend and will earn up to 12 professional development hours!

The JESC is expected to be attended by hundreds of Professional Engineers throughout the State of Louisiana who represent Private Practice, Industry, Government, Education, and Construction. The planning committee is aiming for a very diverse group of speakers to address each of these groups of practice.

We are looking for individuals that would like to **conduct a seminar** on an engineering related topic of your choice at the Conference. Each 50-minute seminar will provide one Professional Development Hour (PDH).

We would also like to extend an invitation to your organization to **display** at the JESC. Like any conference, vendors play a huge role in helping us fund our event as well as informing our attendees of new products and technologies in our industry. This year we have extended our contact hours with our exhibitors and made room for additional booths.

In addition to **Corporate Sponsorship** opportunities, we also encourage you to become an **Event Sponsor** of the 24th JESC. The levels of sponsorship are listed on the Sponsorship Form, and on the Exhibitor Form.

Thank you for your consideration in joining us at the 24th JESC! If you have any questions, please feel free to contact us.

Sincerely,

Brenda Gajan
LES Executive Director

James S. Ellingburg, PE
LES JESC Conference Chair
