

J Madison "JM" Drake Scholarship

All applications are subject to the approval of the New Orleans Chapter Scholarship Committee. The student must be a citizen of the United States whose legal residence is in the state of Louisiana. The student must be in good academic standing, enrolled in an accredited curriculum leading to a BS Degree in Engineering at an ABET approved university. Must demonstrate financial need. The term "local" suggests association with the greater New Orleans area via university, home address, or family.
