**ANDREW M. LOCKETT MEDAL FOR CIVIC ACTIVITIES**

The Andrew M. Lockett Medal will be awarded as conditions warrant, but not more often than annually, for Distinguished Service by an Engineer, in the interest of the Public, without compensation for those services.

The character and scope of the services rendered are the predominant criteria, rather than strictly engineering or scientific attainments.

The desire of the Society is not only to recognize the recipient but to encourage and inspire other engineers to take a greater part in the civic well being of their communities, parishes and the State of Louisiana.
