## **MATHCOUNTS**<sup>®</sup>

November 2, 2016

Dear MATHCOUNTS Supporter,

In my capacity as Executive Director for the Louisiana Engineering Society Education Fund, I am seeking your support of an annual National event sponsored for 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade students around the state. The event is called MATHCOUNTS. Your support will help to defray the expenses of housing, food, t-shirts and incentives for the children in Louisiana.

MATHCOUNTS is an exciting mathematics competition where these students compete against each other and the clock for an opportunity to go to the state competition in Pineville, Louisiana, and if successful, advance to national competition. MATHCOUNTS is a nationwide math coaching competition that encourages and prepares students to pursue mathematics in high school and beyond by making the subject fun. Since the program began in 1983, over three million boys and girls have participated, and we estimate that 350,000 students will take part this year.

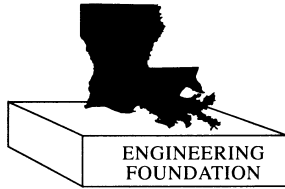

The challenge to promote better math skills among our youth, our future leaders, must be considered never ending. We are committed to making a positive difference in the quality of the mathematics education our children receive, and to reverse the downward trend of mathematics literacy in the state of Louisiana. With your support, we can continue our efforts to promote math excellence among junior high students.

The LES Louisiana Engineer Foundation is a non-profit, tax exempt 501-C-3 organization. Your financial support of MATHCOUNTS will be tax deductible in accordance with provisions of the tax law. Publicity will be given to you through several avenues which will have an audience statewide as well as nationally. Please consider supporting our 2017 program with a contribution to this very worthy cause.

Thank you in advance for your consideration. Should you have any other questions, please call me at (225) 924-2021.

Sincerely,

Brenda W. Gajan  
Executive Director

## **MATHCOUNTS** **\*Where You're on a Winning Team\***

### Gift Form

You know that you're on a winning team with MATHCOUNTS. You may have supported us in the past years; if, so, we want to say "THANKS" in a big way! Our fund-raising campaign for 2017 is getting underway, and we hope that you will support us this year. Please pick a team position from below and mail it in by December 31, 2016. MATHCOUNTS is an education program of the Louisiana Engineering Society. The LES Education Fund is a nonprofit tax-exempt 501 (c) (3) corporation. Your contribution is tax deductible, and you will receive an acknowledgement.
